Start Planning the Memories You Will Leave Behind

Well before my mother got sick, we sat down with her and discussed her memorial and burial wishes. We met with our funeral director and arranged everything. She chose the songs she wanted sung and which family members she wanted to read poems. She even chose the flowers! In a way, it was a wonderful feeling to know that her wishes were honoured, it relieved the burden on my siblings and I and made us feel she was with us on the day of the service.

It was such a relief not to have to worry about arrangements when the day came that she left us. Thanks, mom, for thinking of us and, as always, taking care of us as only a mom can do.

- Mary D.

The professionals at Glen Oaks would be honoured to sit down with you to make your final arrangements. Please contact us at 905-257-8822 to arrange your visit.
